## Chair Report

Happy Birthday Ardoise Hall! It's hard to believe the hall has had 40 years of proudly serving your community of Ardoise. With all the many different events over the years, we're glad to have been apart of it! This past fall, we were busy with many events including our Dime Auction and Community Potluck Supper. Both were well attended and fun was had by all.

This winter, we're actively seeking new volunteers and board members for the hall. We need your help to keep the hall open! If you would like to volunteer or join the board, please contact Susan at (902) 757-2900 and let her know.

You can also attend one of our monthly board meetings, usually the second Sunday of the month at 7pm just to see what volunteering at the hall is all about!

I'm hoping you can attend one of our events this winter. Make sure to follow us on Facebook to stay up-to-date on hall happenings.

David, Board Chair
